

Secretary should have the power to convene and consult an advisory committee if the review is needed, not if it is mandated by the sponsor company. Given current FDA resources and staffing constraints, providing due notice with an explanation for the proposed withdrawal is sufficient. There should be no delay in protecting the health and safety of patients.

We must ensure that the expedited therapeutic review process is transparent and fair—not a revolving door between the agency and industry. As of 2020, we have spent over \$40 billion in taxpayer dollars for drugs that never demonstrated benefit, all to line the pockets of pharmaceutical corporations. This is another example of why further reforms are needed to ensure we are protecting our constituents across the country and being thoughtful arbiters of this reauthorization, which will define patient access and safety for the next five years.

I am glad to see the bipartisan efforts achieved in the passage of H.R. 7667, but I do not believe this should be the last word on accelerated approval. I want to officially submit my concern that this bill does not go far enough to protect patients from unnecessary risk of exposure to unproven, ineffective, and potentially dangerous therapies. I hope to continue working with my colleagues to ensure the correct balance is struck between timely and safe access to therapies needed in the final passage of a bi-cameral reauthorization.

HONORING SHELTON GIBBS III,  
THE MINISTER OF GREENVILLE  
AVENUE CHURCH OF CHRIST  
(GACC) IN RICHARDSON, TEXAS,  
ON HIS RETIREMENT

**HON. LANCE GOODEN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 15, 2022*

Mr. GOODEN of Texas. Madam Speaker, I rise today to honor Shelton Gibbs III, the minister of Greenville Avenue Church of Christ (GACC) in Richardson, Texas, on his retirement. During his 53 years of service, Brother Gibbs passionately dedicated himself to his community, always putting the needs of his neighbors, his congregation, and his family before his own.

Brother Gibbs followed in the footsteps of his late father, Dr. S.T.W. Gibbs, Jr., who served as the Stop Six Church of Christ minister for over 50 years. He is also the grandson of both the late S.T.W. Gibbs, Sr. and C.C. Morgan, two great pioneer preachers. In Brother Gibbs' 40 years of service to GACC, the congregation has grown from 140 members to over 2000. The Gibbs family tradition of faithful service to the church of Christ is an example to us all.

In the early 1970s, Brother Gibbs' ministry brought him from Illinois to Texas. He served in various roles at Southwestern Christian College, including his current position on the Development Board of Lifeline Chaplaincy and founding the school's Guardian Plan. Brother Gibbs' commitment to fostering the next generation of leaders at Southwestern Christian College was evident to the entire staff and student body.

Brother Gibbs began preaching 53 years ago and enthusiastically demonstrated his love

for God and his congregation at several churches around the State of Texas, including Clarksville, Mineral Wells, Abilene, and Edgewood. His evangelistic work was not limited solely to the United States; his passion for growing the church led Brother Gibbs on campaigns in Jamaica and Ghana.

Brother Gibbs is retiring as minister of GACC after 40 dedicated years. His wife of 50 years, Jeanette Gibbs, their four children, and ten beautiful grandchildren have been his greatest support system throughout his service at GACC, and I wish them all the best.

I applaud Brother Shelton Gibbs III for his commitment to serving the congregation of Greenville Avenue Church of Christ.

HOMETOWN HERO—FUSION CORPS

**HON. BETH VAN DUYNE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 15, 2022*

Ms. VAN DUYNE. Madam Speaker, I rise today to congratulate Fusion Corps, Cistercian Preparatory School's Robotics Team from Irving, Texas for their incredible accomplishment earlier this year.

The Fusion Corps won the top prize in the FIRST® Robotics Competition World Championship in Houston, Texas, which featured 456 teams from 12 countries and 43 U.S. states.

Since 1991, this competition has tested students from across the world on who can build the best industrialized robot. This group of young North Texas minds proved to the world that our community harbors the kind of unmatched talent and innovation it takes to be the best.

Fusion Corps' robot, Resilience, was a testament to the many challenges the team overcame to bring home their school's first-ever world championship. Despite many setbacks and limited resources, the students' passion and dedication brought them success.

I thank Fusion Corps for representing our North Texan community well on the global stage. They have made us all back home incredibly proud.

IN RECOGNITION OF WHIPP'S DINING AND BANQUET HALL 100TH ANNIVERSARY

**HON. MIKE GALLAGHER**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 15, 2022*

Mr. GALLAGHER. Madam Speaker, today I rise to recognize the 100th anniversary of Eddie Whipp's Dining and Banquet Hall. Over the past 100 years, the Whipp Family has provided exceptional service to the people of Green Bay and throughout the State of Wisconsin.

What was once known as a church and horse stable in the 1800s, is now known as the incredibly successful Whipp's Dining and Banquet Hall. Established in 1922, Joe (Wypizinski) Whipp began operating a saloon where many men, mostly farmers from throughout Northeast Wisconsin, would stop on their way home from a hard day's work.

Joe Whipp would run the tavern for nearly 18 years until his eldest son, Eddie, took over. In 1944, Eddie married his wife Dorothy and they would continue to build their team and serve their customers seven days a week, from 8:00 am to 2:00 am. I commend the hard work and dedication that has resulted in the lasting growth and success for Whipp's Dining Hall over 100 years.

As the years passed by, Eddie Whipp's remained one of the most popular venues in the Green Bay area. In 1947, the first wedding reception was held in the basement and the dance hall would soon become home to regular polka bands in the 1950s. One of Whipp's most popular menu items today, the Friday Fish Fry, was prepared by Dorothy Whipp in her home kitchen attached to the business in 1947. I applaud The Whipp Family's focus on high-quality service and innovation that has led to consistent customer satisfaction since 1922.

Today, Eddie Whipp's Dining and Banquet Hall continues to operate as a family business and that family has grown exponentially. In the small community of Poland, regulars have said that Whipp's is more than just a supper club, it is a staple in the community. Some of Whipp's regulars have been frequenting the establishment for over 50 years. Now in 2022, the fourth generation of the Whipp Family is running restaurant operations. Bridget Peters is the great-granddaughter of the original founder of the business and, Joe Whipp, who has carried on the mission of providing quality services and products to customers that began 100 years ago in 1922. For the past 100 years, Whipp's has become known for their Friday Night Fish Fry's, homemade Chicken Dinners on Sunday and Wednesday nights, and their reception hall for weddings and other special events.

I invite all members of this body to join me in celebrating the 100th Anniversary of Eddie Whipp's Dining and Banquet Hall. I extend my sincere congratulations to the Whipp family and team for this outstanding milestone and wish them success for years to come.
